Notes

- Fabric quantities given are based on a usable width of 42in (107cm), except for Luna teal sage (150003), which is 108in (274cm) wide.
- Measurements are in imperial inches with metric conversions in brackets – use only one system throughout (preferably imperial).
- Press all fabrics before use.
- Use ¼in (6mm) seams unless otherwise instructed.
- Read all the instructions through before you start.

Preparation and Cutting Out

1 The cutting for the blocks is the same as the lilac/teal quilt, but only **one** of each block is needed. Follow the instructions and diagrams for the quilt – you will need the same 3½in (9cm) squares and 6½in x 3½in (16.5cm x 9cm) rectangles.

2 For the sashing, cut one 12½in x 2½in (31.8cm x 6.4cm) strip from Fabric 13, 16, 5 and 9. Cut one 2½in (6.4cm) square from Fabric 17.

3 From the binding fabric cut three strips 2½in (6.4cm) x width of fabric. Sew together end to end and press the seams open. Press in half along the length, wrong sides together.

Making the Blocks

4 Make each block following the instructions for the lilac/teal quilt, Steps 10 to 13.

Assembling the Pillow

5 Layout the four blocks, the four sashing strips and the corner post square as shown in **Fig A** here. Sew the units together in rows and then sew the rows together, matching seams neatly. Press the patchwork, which should be 26½in (67.3cm) square.

Quilting and Making Up

6 Make a quilt sandwich of the patchwork, wadding (batting) and lining fabric (if using). Quilt as desired. Trim excess wadding and lining to match the patchwork size.

7 To make up the pillow cover, on both pieces of fabric for the pillow back, create a hem along one long side of each piece, by turning the edge over by ½in (1.3cm), twice. Sew the seam with matching thread and press.

8 The pillow has a bound edge, so the pieces are assembled with right sides *out*, as follows. Place the quilted patchwork right side down. Pin one backing piece on top, right side up and with the hem towards the centre. Pin the second backing piece on top, right side up and with the hem towards the centre (so the pieces overlap). Make sure the outer edges of all three pieces are aligned. Pin the layers together and then bind as normal. As you sew the binding in place it will fix the layers together. Press the cover and insert a pillow pad to finish.
